

Scott Harshbarger, chairman and co-founder of Lawyers Defending American Democracy, will discuss the **strength and fragility of democracy and the rule of law** amid a flurry of executive orders and potentially deconstructive actions with multi-decade domestic and international implications. With majorities in the House and Senate, a conservative Supreme Court, and the appointment of powerful private sector leaders and donors, will the Center hold? Will traditional norms, values and principles, heretofore deemed fundamental to our democracy, prevail?

Floridians for Democracy is a 501c4 organization. We envision a state of Florida where all elected leaders proactively implement laws ensuring all residents have equal opportunity, regardless of race, gender, religion, or sexual orientation as granted by democratic freedoms dictated in the constitution. We collaborate with others to protect and preserve democracy.
