

As we prepare for a new year and consider how we will tackle the many challenges we face, Southwest Florida is blessed with a **role model of Freedom and Democracy!**

Throughout his life, when Dr. Robert Hilliard (now age 99) saw problems, he did something about it: finding food and medicine for concentration camp survivors, fighting for public broadcasting, raising his voice for democracy, and much more. Bob is a true humanitarian and activist - including his dedication to Floridians for Democracy.

PICCADILLY

This World War II hero, journalist, educator, author and playwright wrote a musical comedy *75 years ago*, and filed it away. **Until now.**

Attend the world premier of Dr. Robert Hilliard's WWII musical "[Piccadilly](#)" between December 28-30. You can say **you saw it first** at [The Laboratory Theater of Florida](#) in Fort Myers. Let's honor this special leader for freedom and democracy by attending this holiday season!

Floridians for Democracy is a 501c4 organization. We envision a state of Florida where all elected leaders proactively implement laws ensuring all residents have equal opportunity, regardless of race, gender, religion, or sexual orientation as granted by democratic freedoms dictated in the constitution. We collaborate with others to protect and preserve democracy.
